# 2015 Conqueror Squash Challenge

January 23-25, 2015

Thanks for participating in Le Black Knight Conqueror Squash Challenge!

I would like to personally thank everyone for joining us for the first ever Le Black Knight Conqueror Squash Challenge that was hosted at the YMCA January 23-25, 2015. It is the enthusiasm, good sportsmanship, and flexibility of all the participants that helped to make this tournament such a big success!

Proceeds from this tournament and a percentage of all Conqueror product sales will be donated to the Segal Cancer Centre (JGH Hospital) and Cedars Cancer Institute (RVH Hospital) for Breast Cancer Research.

I'd like to thank the certified Referees for donating their time to this tournament. We all know what a difficult bunch of players we can be. And believe it or not, these guys do it out of love for the game. So special thanks to Barry Faguy, Gerry Poole, Karl Dubois, Viano Oghenekewe, Danielle Belanger, Wilson Miller and Gio Piccolino.

SUPER-special thanks to our fantastic Team of Volunteers -- without whom I could not have run this tournament as smoothly. So -- thank you to Vanessa Noreau, Andrea Leber, Heidi Muchall, Albert Zakay, Marnie Guglielmi, Sam Guglielmi and Corinne Balaila.

Special thanks to the YMCA -- for donating their courts for this tournament -- Nehal Nassif, Laurie-Lynn MacDonald, Marmar Marzban, Bassel Youssif, and Ian Denman.

Thanks to Club Sportif MAA, Yvon Provencal and David Delierre for letting us use their squash courts and club facilities.

Thanks to Samantha Cornett and Alexandra Norman for playing an exhibition match for our enjoyment. Just so that you all know, Sam made a special from Toronto to join us this weekend.

And finally, thanks to Black Knight Canada for sponsoring this tournament, the Conqueror Project, and donating the prizes and souvenir t-shirts. For those of you interested, you can sign up for the Black Knight newsletter at:

The Le Black Knight Conqueror Squash Challenge was a Squash Quebec sanctioned tournament. All the results from the weekend matches will count towards your provincial rankings which you can find online at [www.squash.qc.ca](http://www.squash.qc.ca). Furthermore, this tournament is also part of the 2014-2015 Black Knight Grand Prix Circuit, which allows players to collect points towards winning prizes from Black Knight at the end of the 2014-2015 season. The Black Knight Grand Prix Rankings can also be found online on the Squash Quebec web site. You will also have a ranking on the SportyHQ web site.

\*Both Provincial and BK Grand Prix rankings will be updated online prior to the end of the week. SportyHQ results and rankings have been updated.

Please send me any pictures that you have taken so that we can upload them onto the Squash Quebec and Conqueror Project web sites. Also, please feel free to upload any pictures on SportyHQ.

Once again, thanks to each and everyone one of you for your contribution to making the first Le Black Knight Conqueror Squash Challenge a great success!

Sportingly yours,  
Laurie Lanfer
