

## **Squash Quebec presents its return to play guidelines**

It's official! Since June 22, 2020, the squash activities have finally resumed as per the return to play guidelines made by Squash Quebec.

In order to facilitate this long-awaited return to the game, Squash Quebec has put together the guidelines for the return to play that includes recommendations for the players, coaches and the entire squash community.

These guidelines highlight the rules and procedures to be followed and an adaptive plan for the reality of our sport. Explanatory videos will be posted on our Facebook page with few ideas to regarding how to practice squash on a limited way. The health of our members is the heart of our concerns and it is this reason why Squash Quebec would like to guide them during this extraordinary period that we are going through.

Clubs will reopen when they are ready to welcome their members safely and their preparation will be done at their own pace. For the moment, the Squash Quebec board of directors recommends that clubs reopen their activities in phase 2 of the return to play guidelines and follow the Quebec Government instructions regarding social distancing, while accidental contact will be tolerated.

The transition from phase 2 to phase 3 should be announced shortly, stay tuned!

Remember that hygiene measures, including physical distancing and hand washing, must be observed, like all directives made by public health.

Thank you for your collaboration and welcome back to all!
